

Alaska Native Epidemiology Center

TRAINING OPPORTUNITY

Cost Principles

This cost principles training workshop will be a follow-up to last year's Grant Management training workshop and build on our grant management skills. Anyone involved in grant-related financial actions will benefit from this course which will cover cost principles throughout the grants lifecycle, including budget development and review, spending decisions, and site visits and audits.

When:
July 24-25, 2019

Where:
Anchorage

Cost:
\$75

REGISTER at: tecphi-ncc.eventbrite.com
